Asante Sana! Thank you! *Pastor Elias has updated and said that conditions are better in a couple of areas, but worse in others. Your contributions are still being gratefully accepted.*

MT. MERU COFFEE

Don't forget, your purchase of Mt. Meru coffee helps provide sustainable incomes to the coffee farmers of Meru. This is especially important during this time of drought in many areas.

Besides our standard premium blend in regular and decaf we have our Peaberry coffee which is richer and less acidic than regular coffee. We also offer our coffee in four flavors. Thank you for your purchase, it is much appreciated.
