To all of you who have made your commitment to our appeal a most heartfelt "THANK YOU!"

Through the generosity of our members so far, we have pledges in the amount of **\$1,081,000**.

The cost for Phase 1 of the Building Renovation is \$2 to 2.5 million.

Congregational Meeting:

On June 16th, there will be a meeting of the congregation to vote to approve beginning the HVAC portion of Phase 1.
