What's It About? - What will children be learning?

St. Matthew's Vacation Bible School 2014

Join us August 4th-8th from 8:45 - 11:45 a.m. for a week of faith-filled activities

Junior kindergartners through 5th graders are invited to a week of learning Bible Stories through games, crafts, songs, skits and experiments.

This year's VBS theme is "Workshop of Wonders: Imagine and Build with God" from Cokesbury Publishers.

Children will encounter amazing wonders when they imagine and build with God. They will discover biblical characters who experienced the extraordinary when they used their hands, hearts, and minds to imagine, build, grow, work and walk with God. Lessons include: The Story of Esther; Rebuilding the Lord's House; Parable of the Mustard Seed; Feeding the 5,000; and Walking to Emmaus. And of course, several great songs!

Friends and community members are always welcome.
